Workshop Overview (60 minutes)

Session 1 (20 minutes) - Video Capture

- Downloading and Installing OBS Studio
- Setting up a scene
- Configuring recording settings
- Recording a presentation

Session 2 (20 minutes) - Video Editing ¹

- Introduction to iMovie ²
- Basic Editing
 - Importing a clip
 - Working with video
 - Working with audio
 - Titles and transitions
- Exporting the finished video

Session 3 (10 minutes) - Additional Topics (TBC)

- Downloading a Youtube video

Questions (10 minutes)

- Participant led Q & A

¹Footage for you to edit will be provided on the day, however feel free to use your own if you prefer

²You can use whatever video editor you have available. I have chosen iMovie because most people in this session will be using MacOS
